Location

Our office is located in a central position in Wetzikon. There are ample parking facilities both at the office and in the immediate vicinity.

Wetzikon can be quickly and easily reached with both private and public transport.

By car, it is best reached by taking the A53 motorway as far as its end at the "Uster Ost" exit, and continuing on the main road through the Aa valley directly to Wetzikon. Wetzikon can also be reached via the Forch motorway (exit Oetwil/Gossau). Journey time from central Zurich approximately 25 minutes in both cases.

By train, Wetzikon is best reached by the S5 and S15 rapid transit lines from Zurich Main Station and Zurich-Stadelhofen (trains every 15 minutes, journey time from Zurich main station 20 minutes). Rapid transit trains of lines S3 and S14 also stop at Wetzikon.
